# COLLABORATIVE DESIGNER FOR DRAFTSIGHT
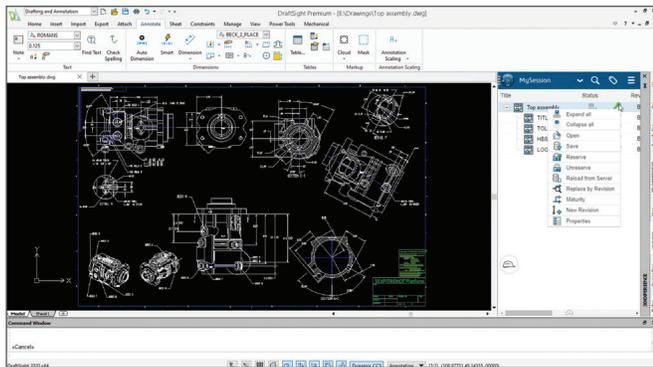

3DEXPERIENCE **ROLE**

CONNECT YOUR TEAMS, DATA AND PROCESSES ALL IN ONE PLACE IN THE CLOUD

Accelerate product development by enabling real-time collaboration on drawings and leveraging the expertise of your entire business ecosystem.

OVERVIEW

Collaborative Designer for DraftSight® allows millions of DraftSight users to enjoy the cloud-based **3D**EXPERIENCE® platform by connecting DraftSight to the platform. It lets you combine DraftSight's robust 2D drafting tools with intuitive collaboration, data and product lifecycle management all in the cloud.

KEY CAPABILITIES

- Access the platform directly from within your DraftSight window and enjoy the same interface.
- Open and save files directly to the platform.

CAPABILITIES OF THE 3DEXPERIENCE PLATFORM

With its growing solution portfolio and secure cloud technology, the **3D**EXPERIENCE platform enables you to manage all facets of your product development process while reducing infrastructure costs, IT overhead, software maintenance and complexity. All **3D**EXPERIENCE solutions work together seamlessly, simplifying data management, sharing and collaboration across your entire business ecosystem. Collaborative Designer for DraftSight can take advantage of the following platform capabilities:

- Store all your design data in a centralized, secure location in the cloud.
- Manage the lifecycle of any type of content—such as 2D drawings, 3D design files, simulation models and documentation—across disciplines and CAD applications.
- Streamline data management with built-in revision control and branching.
- View, share, annotate, discuss, visualize and manage designs from any device with a web browser.
- Organize 2D drawings in structured bookmarks.
- Manage the access to 2D drawings in a secured fashion and control the access dynamically.
- Create dashboards for personalized views into information from all sources and set alerts for data feeds.

Find out more about DraftSight at https://www.draftsight.com.

Our **3D**EXPERIENCE® platform powers our brand applications, serving 11 industries, and provides a rich portfolio of industry solution experiences.

Dassault Systèmes, the **3D**EXPERIENCE Company, is a catalyst for human progress. We provide business and people with collaborative virtual environments to imagine sustainable innovations. By creating 'virtual experience twins' of the real world with our **3D**EXPERIENCE platform and applications, our customers push the boundaries of innovation, learning and production.

Dassault Systèmes' 20,000 employees are bringing value to more than 270,000 customers of all sizes, in all industries, in more than 140 countries. For more information, visit **www.3ds.com**.
