

DraftSight Affiliate FAQ

DraftSight Affiliate Program

What is the DraftSight Affiliate Program?

The DraftSight Affiliate Program allows you to earn money by promoting different DraftSight products on your website. Customers can purchase DraftSight products by using links on your website and you will earn a commission for each new license sold.

How do I join the DraftSight Affiliate Program?

If you are a SOLIDWORKS reseller, please reach out to your local Dassault Systèmes sales manager or email DraftSight.Affiliate-Program@3ds.com.

Does it cost me anything to be an affiliate?

Joining the DraftSight Affiliate Program is free and there is no minimum sales requirement. In other words, you have nothing to lose and can gain a new revenue stream.

Where do I get materials to promote the products?

Once your application has been approved, we will provide you with all the marketing and technical material that you can use on your website and to promote DraftSight. If there is anything else you wish to have, just contact us at DraftSight.Affiliate-Program@3ds.com and we will try our best to accommodate.

Where do I place DraftSight links on my site?

The most effective and profitable affiliates create dedicated DraftSight pages and highlight DraftSight on their main homepage.

How often should I update my site?

Most online customers rely on search engines, and the search results are strongly based on content. Regularly updated content is viewed as one of the best indicators of a site's relevancy. Keeping your website content fresh is one of the key elements, so we recommend updating the content at least every 6 months to make it relevant to customers and search engines.

How often will new material be available?

New material covering new features and product updates will be created after every DraftSight release. Throughout the year, we will have new images and marketing material for all affiliates.

What DraftSight products can affiliates sell?

As a SOLIDWORKS affiliate, you are able to sell DraftSight Enterprise and 3DEXPERIENCE DraftSight solutions to your customers. When you become a DraftSight affiliate, the new links will allow you to earn commission from DraftSight Professional and Premium.

Who can I contact if I have questions about the program?
